* Optional 1 credit labs are available for SCM 101 Physics and SCM 220 Chemistry. They are not a requirement to complete the AA track, but rather an available option. Students taking the 1 credit lab would complete the AA track with 16 Holy Apostles credits.

NOTES

A minimum of 60 credits is required to earn an Associate of Arts Degree in Liberal Arts from Holy Apostles.

45 Angelicum Academy Credits + 15 Holy Apostles Credits = 60 Credits total.

Students will work with their Angelicum Academy Primary Advisor to identify which courses they must take each semester. Angelicum students are able to enroll in 1-2 courses at Holy Apostles per semester if desirable.

Upon completion of the Angelicum Academy – Holy Apostles Partnership AA Track, students may seamlessly transfer into a Bachelor of Arts degree at Holy Apostles with a single or double-major.
